PROFESSIONAL SUMMARY

Textile Designer and B.Des graduate from Shenkar College. specializing in fabric development, pattern design, and conceptual collection building. Experienced in international design environments, bridging manual craftsmanship with innovative digital and technical execution. Highly detail-oriented with a strong focus on narrative driven design, visual identity, and material translation.

WORK EXPERIENCE

DESIGN INTERN | MAIAMI KNITWEAR
Berlin, Germany (Dec 2024 – Feb 2025)

- Collaborated with the design and product development team on Holiday 25/26 and Spring/Summer 26 collections.
- Developed seasonal color palettes, yarn selections, and fabric swatches.
- Executed technical hand-crafted and machine sampling, focusing on innovative crocheting and knitting processing techniques.
- Translated creative concepts into physical prototypes, meeting strict studio production standards.

SECURITY OPERATIONS COORDINATOR
Security Center (2023 – 2024, 2025)

- Coordinated field teams in real-time, managed remote surveillance systems, and oversaw regional operational security.

SHIFT MANAGER
Cinema & Retail Sector (2017–2022, intermittent)

- Led retail and service teams, managed daily operational workflows, resolved complex customer issues, and maintained high service standards.
